

In the

Season of Thanks

A year full of changes -  
new standards and such...

We hope we've been helpful  
when it all got too much.

Whether phone calls, emails, or  
meeting face-to-face...

We love working with you and  
helping your kids keep pace.

In your home...

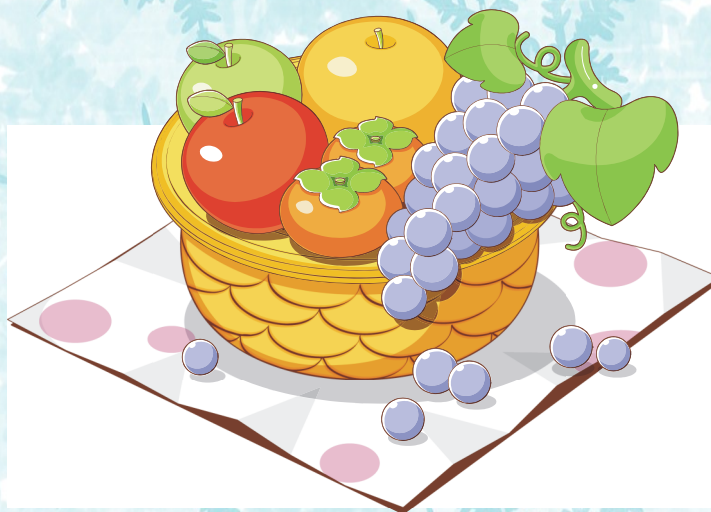

we know achievement relies  
on more than just books.

Surrounded by loved ones—  
the richest of wealth...

We send you good tidings  
for a year of good health.

So thanks for your trust  
in our Mountain Home &  
Glacier High School family...

We're glad to be partners  
with you.

Here's to a new year—wow!

2014

May your winter break  
be the best ever!

# Happy New Year
