Semester One Class Information

- All Math courses begin: Monday, August 30th
- All math courses are graded. Students will receive progress reports throughout the school year & a final grade at the end of each semester
- Students need to attend one of the the NWEA math assessment dates (Aug 24th or Aug 25th, either at 9am or 1pm)
- Prerequisite: students have *successfully* completed their previous grade level math
- Parents are expected to “attend” the first 15 minutes of their student’s math class on August 30th
 - The instructor will review their course syllabus, grading policy, and any other important information
