

## MOUNTAIN HOME ENRICHMENT CLASS DESCRIPTIONS - FALL 2024 - version 2

Class Name	Grade Level/s	Teacher Name	Day of week	Time	Max Number of students	Location	Class Descriptions
TK/K Variety (AM or PM)	TK/K	S. Decarli, Neulinger Assist	Tuesday	9am - 11:30am or 12:30-3pm	16	Market	<b>TK/K Variety (TK/K)</b> - Kindergarten is a time for children to discover and develop new academic and social skills. Through a variety of lessons, activities, story time, art and creative play your kindergartener will gain confidence and the foundations needed for success in school.
1/2 Variety	1/2	Sloas	Tuesday	9am - 11:30am or 12:30-3pm	20	Cabin	<b>1st/2nd Grade Variety Class (1-2)</b> - Students will learn a "variety" of content areas (with an emphasis on science and social studies). Hands-on activities will include labs, crafts/art, P.E., and storytime.
3/4 Variety	3/4	Vind	Tuesday	9am - 11:30am or 12:30-3pm	20	Mod A	<b>3rd/4th Variety Class (3-4)</b> - We will enjoy wonderful literature/ picture books that have connections with math, art, science, history and writing. With each story we will explore these connections by doing fun, hands on projects.
5 Variety	5	Davis	Tuesday	9am - 11:30am or 12:30-3pm	16	Brick	<b>5 Variety</b> - Students will enjoy a variety of 5th grade topics and activities each week including PE games.
6/7 Medieval/Early Modern History	6/7	Heidebrecht	Tuesday	9:00 - 10:10 AM or 1:50 - 3PM	12	Mod C	<b>6/7 Medieval/Early Modern History</b> - Students will be studying history, cultures, and religions from the Roman Empire to the time of the early world exploration. This will be a year-long class with the second semester starting at the time of Medieval Japan.
Art - Middle School	6-8	Graas	Tuesday	12:30-1:40pm or 1:50 - 3PM	14	Garage	<b>Art - Middle School</b> - A beginning drawing class. Students will explore ways to make their drawings more realistic. Skills such as shading, shadowing, depth, vanishing point will be covered. And then we will enjoy the fun of drawing too!
Middle School Writing/ROV Writing	6-8	Hill	Tuesday	12:30-1:40pm	20	Mod C	<b>Middle School Writing/ROV Writing - The first semester is open to non-ROV students.</b> The students will practice writing strong paragraphs, learn how to use rubrics for top scores, Google Classroom, Google group editing, how to contribute in a team setting, science writing, technical writing, record keeping, etc. 2nd Semester- ROV students will follow rubrics to complete technical writing for ROV Marketing Board and refine their presentation skills.
Theater - Middle School	6-8	Mallard	Tuesday	10:20 - 11:30 AM	20	Mod C	<b>Theater - Middle School</b> - We will workshop basic drama acting skills. Interactive activities to help learn expression, stage presence, and voice diction. All students will be working on confidence and teamwork. For live shows, students will be designated to either be on stage, help behind the scenes, or both, but each class will involve acting lessons that require full participation. We will set up a Google Classroom so that students may receive updates during the week. Some activities will involve online resources. Some will involve video links to YouTube. We also will be exploring different stageplays that we may be selecting for upcoming productions.  Additional Resources found in Google Classroom: Links to YouTube videos and website resources PDFs, or scans of Stageplays, or any activity sheets that may be selected
8th Grade Constitution	8	Mallard	Tuesday	9:00 - 10:10 AM	16	Mod B	<b>8th Grade Constitution</b> - We will be reviewing the forming of the United States, from the colonial stand of independence to the establishing of our Constitution. Binders for the class will be provided, which will include a printout of the U.S. Constitution. Students will be required to bring their binders with them to each class. Most activities will involve class discussion and/or online resources. Most of the work will be interactive in class, but students are encouraged to review the material at home. Each student will need to complete a short slide presentation in the fall and spring semesters. There may also be drawing and some painting. Activity/worksheets on each module will be provided weekly Links to YouTube videos and website resources
8th grade mosaic	8	Graas, Heidebrecht Assist	Tuesday	10:20 - 11:30 AM	14	Garage	<b>Mosaic (8)</b> - Students will design and create their own glass tile mosaic. Transferring the design to a 12in. square of plywood, they will cut, glue, and grout into a memorable finished piece. Bring ideas to the first class.
Leadership	8	Mallard	Tuesday	1:50 - 3PM	16	Mod B	<b>Leadership (8)</b> - We will explore leadership, as well as the characteristics and the attributes that help define what being a leader is. Students will be given different activities that will entail both individual and team building efforts, in order to help them better understand their strengths and how to use them to their advantage. Binders for the class will be provided. Students will be required to bring their binders with them to each class. Most activities will involve class discussion and/or online resources. Most of the work will be interactive in class, but students are encouraged to review the material at home. Each student will need to complete a short slide presentation in the fall and spring semesters. Activity/worksheets on each module will be provided weekly Links to YouTube videos and website resources
3rd Grade Writing Enrichment	3	Heidebrecht	Thursday	10:30 - 12:00pm or 12:30 - 2pm	8	Mod C	<b>3rd Grade Writing Enrichment</b> - Students will creatively explore how to write using multiple genres of writing, such as poetry, autobiographies, and more! The instruction will include how to use Google Docs. The class is offered as a year-long class, but does not replace writing at home.
Battle of Books 3/4	3/4	Davis	Thursday	9:00 - 10:20 AM	15	Mod A	<b>Battle of Books 3/4</b> - Students will enjoy reading novels to prepare for the Battle of the Books Competition Event in December.
